

Virtual Visits

While we navigate through these unprecedented times and the challenges of visitor restriction OLP is offering:

- **Video Conferencing:** A video conference call through Skype or Facetime can be arranged by contacting Keith Colvin, Spiritual Care Director at 716-298-3702 or by emailing Keith.Colvin@ascension.org
 - **Friendly Phone Calls:** Please contact your loved one's Social Worker or Unit Manager to make the arrangements.
 - **Window Visits:** OLP is able to arrange a "window visit" between you and your loved ones. Our team will help escort your loved ones to the private family dining room and will assist in setting up the telephone calls. Window Visits can be arranged by contacting the front reception desk at 716-298-2900. Feel free to contact Katey Dulak at 716-298-2911 if you have any questions.
