May 21, 2020

Dear Ascension Living Residents and Family Members,

Each day we strive to provide personalized care and service to our residents to keep them safe, healthy and connected during the pandemic. Now, we want to hear from you about how we have been doing during this historic time.

We hope you can take three minutes or less to complete this important survey about how we are managing COVID-19 communications and safety issues. The responses are anonymous and will provide valuable feedback on ways to enhance – or continue – what we have been doing to provide high quality, compassionate care for our residents and families.

Thank you for your support, understanding and input. Looking forward to hearing from you by June 5, when the survey will close.

Sincerely,

Danny Stricker  
President
