

Thank You for all you do!!

To the Residents and Staff at Our Lady of Peace,

During this unprecedented time in our lives the coronavirus/COVID-19 turned all our lives upside down and created uncertainty. Our cookie season has been impacted and our troop pulled together to come up with a way to help our community. Our Girl Scout Troop 70055 practiced social distancing and safely created a Facebook page in hopes to raise donations for some of our cookie inventory to share with the essential workers and residents in our community. We would like to spread some cheer and love to those that don't have the luxury of seeing their families, staying home and being safe. We appreciate you and all you do for the community and putting your own lives on the line to help others during this unexpected turn of events. We are all being challenged in unprecedented ways and can't imagine how stressful this may be for you and your families. We appreciate you caring for the residents and being their family, so they are not entirely lonely during this time. Our hearts go out to the residents as well!! Let these cookies be a small token of our appreciation. We are so thankful for you all and are keeping all of you in our thoughts and prayers.

With Love,

Girl Scout Troop 70055

&

Joyce Hall
